

Weebly Workshop Objectives

Goal:

The goal of this workshop is to provide participants the tools and information they will need to create a professional portfolio using Weebly.

Primary Objectives:

The participants will be able to -

1. Identify the common components of a professional portfolio
2. Navigate the Weebly website
3. Create a professional portfolio

Secondary Objectives:

The participants will be able to –

1. Choose a format for their portfolio
2. Demonstrate that they can make a page visible or leave it hidden
3. Demonstrate that they can upload a file
4. Describe how they would add a video
5. Create tabs within a tab
6. Explain the difference between an “unpublished” and “published” Weebly
7. Identify the format a page will have based on the drag-and-drop picture choices
